MARY POPPINS BY PEARL HENSON

The auditions for Mary Poppins, Jr. started on November 15th and ended on the 16th. The majority of students were not nervous for the first day of auditions, which was singing, but most students were nervous for the second day, which was acting.

Mrs. Nye was doing the casting, and the grand Mary Poppins is...Finley Kern! Finley is in Mrs. Reed's fourth grade class. Some of the other main roles are: Michael, who is being played by Griffin Owen, Jane, who is being played by Natalie Swanes, Bert, who is being played by Moses Miner, and Mrs. Andrew, who is being played by Pearl Henson. Winifred is being played by Nina DeWine and Mr. Banks is being played by Henry Robinson. All of these students will do an amazing job.

We asked Mrs. Nye why she chose to do Mary Poppins this year. She said that she knew the students who would be trying out for the show, and thought that this show would fit their talents. She also chose it because she thought it would be good for both kids and adults, since both know the movie Mary Poppins. Mrs. Nye also said that she thought it would be fun and entertaining with great songs.

ORT TEAM

BY THE ORT TEAM

The main thing we do in ORT is separate the trash and the food. ORT is a scrap of food and we try to reduce the amount of ORT. We have meetings every Monday and have assigned days to work on.

When we invited third graders to ORT, we picked role models to do our job during their lunch time. We chose a boy and a girl from each third grade class. We trained them for two weeks. Each class got one day a week for training, and then they felt they were ready. The third graders are now working at third grade lunch.

The ORT team's motto is "Sort the Ort." The ORT team members are: Carlie Felix, Damani Hale, Sophie Herrera, Hazel Ingram, Viviette Jones, Natalie Medalia, Sofia Rukeyser-Silva, Sophia Young and Harper Zarling.

HOMELESS HEROES FIELD TRIP

BY PEARL HENSON

On Wednesday, January 23rd, five Sherman students visited the Tacoma Rescue Mission. They helped prepare and serve lunch for people who are experiencing homelessness and staying at the Mission. The students helped make steak, pineapple upside down cake, baked potatoes and salad. They also ate the food. Fourth grader Pearl Henson says, "The lunch was delicious and it was much better than I thought it would be. It was interesting looking at all of the things they offered."

The students and their adult chaperones observed the things that the Rescue Mission offers its clients. They took a tour of the Mission and saw the computer lab and library, where clients can learn things. They also saw the place where people can get clothes. They saw the offices of the volunteer coordinator and other people work at the Mission. Everyone wanted to go back at least once a month to volunteer.

ASK TIGER

BY POSYMAY COBB

Dear Tiger,

I am jealous of my friend. It seems like other people like her more than me, and she gets more attention than I do. What should I do?

Sincerely,

Jealous Jane

Dear Jealous Jane,

When you are jealous, just remember that you are just as good as your friend. You could also tell your friend how you feel. You can say, "I feel jealous when you get so much attention." You could also find things that you are good at, and other friends to hang out with.

Sincerely,

Tiger

Dear Tiger,

I am having problems with my friends and I don't know how to solve them. Sometimes, I spend recess alone.

Sincerely,

Troubled Tanasha

Dear Troubled Tanasha,

If you are having trouble with your friends, you should tell them how you feel. You can also talk with an adult that you trust. This might be your parents, a teacher, a school counselor, or a coach. Hang in there!

Sincerely,

Tiger

BOOK REVIEW

BY POSY MAY COBB

The Red Pyramid by Rick Riordan: the first book of the Kane Chronicles.

The Red Pyramid is a fantasy book about two kids named Sadie and Carter Kane who go on a quest to save the world from an evil chaos snake named Apophis. They come across obstacles in ancient Egypt and around the world. There are magicians who are trying to stop them from saving the world. I like it because I like reading fantasy and I think it has adventure and true mythology, which I like.

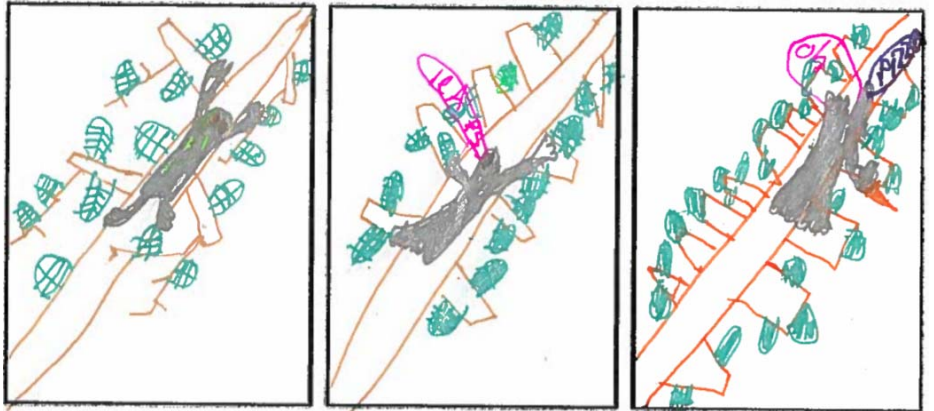

YEARBOOK PICTURES

The Sherman Yearbook committee is looking for photos of school events to include in this year's yearbook. We'd like photos of events such as the Masquerade Ball, book fair, field trips, STEAM Fair, musical auditions, and other things. If you have photos, please e-mail them to Mrs. Jaskar at kjaskar@tacoma.k12.wa.us.
